II.2.4) **Description of the procurement:**

Procurement will be a Restricted Tender, following the issue of the Contract Notice, with subsequent evaluation of responses to the Notice, for a Service contract related to administrative, financial, safety and environmental monitoring and supervision of the FIDIC Turn-Key (Silver Book, FIDIC Conditions of Contract for Design, Build and Operate Projects, First Edition, 2008) Works contract for the Removal of the sunken German Fleet from the Danube River near Prahovo. The EIB Guide to Procurement (September 2018) and Practical Guide to Contract Procedures for EU External Actions (PRAG August 2020) will be applied.

The language of the procedure and contract will be English.

Participation is open to all natural persons and firms (participating either individually or in a grouping - consortium - of tenderers) originating from all countries of the world.

A consortium may be a permanent, legally-established grouping or a grouping which has been constituted informally for a specific tender procedure. All partners of a consortium (i.e., the leader and all other partners) are jointly and severally liable to the contracting authority. The participation of an ineligible natural or legal person will result in the automatic exclusion of that person. In particular, if that ineligible person belongs to a consortium, the whole consortium will be excluded.

No more than one application or tender can be submitted by a natural or legal person whatever the form of participation (as an individual legal entity or as leader or partner of a consortium submitting an application/ tender). In the event that a natural or legal person submits more than one application or tender, all applications or tenders in which that person has participated will be excluded.
