Port of Prahovo is located in Serbia, and it covers part of the riparian and water area on the right Danube riverbank, from km 859+800 to km 858+800, a

II.2.4) **Description of the procurement:**

Participation is open to all natural persons and firms (participating either individually or in a grouping - consortium - of tenderers) originating from all countries of the world.

All eligible natural and legal persons (as per item 4 above) or groupings of such persons (consortia) may apply. A consortium may be a permanent, legally-established grouping or a grouping which has been constituted informally for a specific tender procedure. All partners of a consortium (i.e., the leader and all other partners) are jointly and severally liable to the contracting authority.

The participation of an ineligible natural or legal person will result in the automatic exclusion of that person. In particular, if that ineligible person belongs to a consortium, the whole consortium will be excluded.

No more than one application or tender can be submitted by a natural or legal person whatever the form of participation (as an individual legal entity or as leader or partner of a consortium submitting an application/ tender). In the event that a natural or legal person submits more than one application or tender, all applications or tenders in which that person has participated will be excluded.

In case of lots, the candidates or tenderers may submit only one application or tender per lot. Contracts will be awarded lot by lot and each lot will form a separate contract.

Grounds for exclusion

As part of the application form, candidates must submit a signed declaration, included in the standard application form, to the effect that they are not in any of the exclusion situations listed in Section 2.6.10.1. of the PRAG, Version August 2020, as well as in the Guide to Procurement for projects financed by the European Investment Bank, September 2018 (https://www.eib.org/attachments/strategies/guide_to_procurement_en.pdf), Section 1.4 (Ethical Conduct), Section 1.5 (Conflict of Interest), and Section 3.6 (Prohibited Conduct – Covenant of Integrity – template available in EIB Guide to Procurement, Annex 3), Anti-fraud policy of the

European Investment Bank (<http://www.eib.org/infocentre/publications/all/anti-fraud-policy.htm>) and Section 3.8 Environmental and Social Covenant (E&S Covenant template is available in EIB Guide to Procurement, Annex 7). It should be noted that, in the Col, the tenderer is requested to self-declare all sanctions and/or exclusions (including any similar decisions having the effect of imposing conditions on the tenderer or its subsidiaries or to exclude the said tenderer or its subsidiaries, such as temporary suspension, conditional non-exclusion, etc.) imposed by the European institutions or any multilateral development banks (including the WB Group, the African Development Bank, the Asian Development Bank, EBRD, EIB or Inter-American Development Bank), regardless of the date of issue and the expiration or not of such decisions and of the current status of any sanction and/or exclusion. In this regard, any omission or misrepresentation, made knowingly or recklessly, may be considered as fraud under the EIB Anti-Fraud Policy. Therefore, the Client reserves the right to reject any offer presenting an inaccurate or incomplete Col, and may cause the rejection of the offer for prohibited conduct. Pursuant to its Sanctions Policy, the Bank shall not provide finance, directly or indirectly, to or for the benefit of an individual or entity that is subject to financial sanctions imposed by the EU, either autonomously or pursuant to the financial sanctions decided by the United Nations Security Council on the basis of article 41 of the UN Charter.
