

REQUEST FOR EXPRESSIONS OF INTEREST CONSULTING SERVICES – INDIVIDUAL CONSULTANT

Republic of Serbia

Local Infrastructure and Institutional Development (LIID) Project

Project ID No. P174251

Assignment Title:

- **Urban Mobility Specialist (full-time individual consultant, two executives),
Reference No. SER-LIID-IC-CS-23-04**

The Republic of Serbia has received financing in the amount of EUR 265,200,000 equivalent from the World Bank and the Agency Francaise de Development toward the cost of the Serbia Local Infrastructure and Institutional Development (LIID) Project, and intends to apply part of the proceeds to payments for goods, works, non-consulting services and consulting services to be procured under this project.

Scope of work

The urban mobility specialist works under the supervision of the Project Manager and will be primarily and ultimately responsible for:

- Support the Manager and Deputy manager of the PIU in organizing, coordinating, integrating, and monitoring operations of the PIU and the institutions involved in the Project, both at the PIU premises and in the field, during its preparation and implementation;
- Ensure management of all traffic related activities (planning, implementation, supervision, monitoring) in conjunction with the communities, in order to optimize community's broader mobility needs in relation to public transport services, active mobility, resilience, security, and safety;
- Providing technical input, administrative and managerial support to the municipalities in the process of preparation the design documents and improving the quality of the design documents;
- Providing technical input and assist the Procurement Expert in the preparation of Procurement Documents, Requests for Proposals, as well as preparing relevant technical documents as Terms of References, Technical Specifications, etc.;
- Review and evaluate contractors'/consultants' technical documentation, drawings, designs, working schedule, health and safety;
- Managing the SUMP's development process;
- Providing support in process of SUMP's creation and coordinate cooperation between Consultant and municipalities;

- Ensure that best practices of sustainable urban mobility should be incorporated in projects;
- Revision of main phases of SUPMs and revision of final reports;
- Audit of action and investment plan which are defined in SUMPs;
- Ensure development of mobility plans for prioritizing interventions and investment;
- Monitoring of mobility management KPIs that are being defined in SUPMs;
- Ensure quality of proposals for smart mobility contractual modalities in areas such as optimizing public transport services, intelligent transportation systems, real-time information and infrastructure or service sharing schemes;
- Support in development and implementation of new mobility services in urban areas e.g. shared services, micro mobility, mobility as a service, etc.;
- Support in development of transition plans for clean transport deployment;
- Ensure that mobility management policies and processes are being implemented by the concerned entities following current EU standards and legislation;
- Support in development of monitoring transport-related air pollution measures for all LSGs;
- Providing support in training/capacity-building activities that will build local government capacity to develop sustainable urban transport system as well as internal training as needed on project-related matters to the PIU staff, the MCTI, LSGs, and other ministries, and other relevant stakeholders;
- Ensure team-work with the other Project Officers;
- Liaise with the Procurement Expert, the Project Director and with all relevant Ministries /Municipalities and their focal points / designers / agencies / project beneficiaries regarding mobility, public transport services, active mobility, resilience, security, and safety;
- Assist the Procurement Experts in the evaluation of bids and preparation of contract documents related to mobility and traffic safety;
- Verify, validate and confirm the contractors’/consultants expenditures declared in the payment certificates/invoices;
- Ensure with PIU Officers the reporting mechanisms and documentation systems are in place, including drafting reports to the World Bank and Project Director: Cost, Time, Resources, and Scope;
- Issue Monthly Progress Reports to the Project Director and brief her/him on progress and challenges while providing sound solutions to overcome implementation difficulties;

- Assisting the Project Director in preparing the PIU Reports (quarterly, midterm and completion);
- Perform other duties in support of project preparation and implementation, as required.

Timeframe and Duration

The Consultant is expected to provide full time services for the life of the project, i.e. until November 30, 2028, with a probationary period of six (6) months.

The Consultant shall not have other full or part-time assignment during the engagement under this Contract.
